

Цифры 5 и 6 прописью

The image shows two handwriting practice sheets on a grid background. The top sheet is for the number 5. It includes a red box with the number 5, a red dot pattern, a large number 5 with stroke order arrows (1 for the top curve, 2 for the vertical line), and a row of six 5s for tracing. Below this are four triangles with numbers 2, 3, 4, and 5 above them, and a row of five arches for tracing. The bottom sheet is for the number 6. It includes a red box with the number 6, a red dot pattern, a large number 6 with stroke order arrows (1 for the top curve, 2 for the bottom curve), and a row of six 6s for tracing. Below this is a 6x6 grid with a 2x4 area of dots, and three addition and subtraction equations: $6 = \square + \square$, $4 + \square = 6$, $6 = \square + \square$, $3 + 3 = \square$, $6 = \square + \square$, and $6 - \square = 5$. At the bottom are five circles with numbers 2 and 5 inside, and empty circles for writing.
